Allowable Subject Matter

1. The following is an examiner's statement of reasons for allowance:

The primary reason for the allowance of claim 1 is the limitation of a plurality of pin position detecting sensors that detects a moving position of the conveying pin wherein the moving member moves forward in the direction of the printing plate and the conveying pin is moved by coming into contact with the width direction edge of the printing plate, and control means having input means for entering a sort of the printing plate, the control means stopping the driving motor in accordance with a detection signal generated from the pin position detection sensor associated with the sort of the printing plate entered through the input means of the plurality of pin position detecting sensors, in combination with the other claimed structure.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Kevin D. Williams whose telephone number is (571) 272-2172. The examiner can normally be reached on Monday - Friday, 8:30am - 6:00pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Andrew H. Hirshfeld can be reached on (571) 272-2168. The fax phone
